

§291C-137 Mobile electronic devices. (a) No person shall operate a motor vehicle while using a mobile electronic device.

(b) The use of a mobile electronic device for the sole purpose of making a "911" emergency communication shall be an affirmative defense to this law.

(c) No person under eighteen years of age shall operate a motor vehicle while utilizing a hands-free mobile electronic device, except for the sole purpose of making a "911" emergency communication.

(d) The following persons shall be exempt from subsection (a):

- (1) Emergency responders using a mobile electronic device while in the performance and scope of their official duties;
- (2) Drivers using a two-way radio or a private Land Mobile Radio System, within the meaning of title 47 Code of Federal Regulations part 90, while in the performance and scope of their work-related duties and who are operating fleet vehicles or who possess a commercial vehicle license;
- (3) Drivers holding a valid amateur radio operator license issued by the Federal Communications Commission and using a half-duplex two-way radio; or
- (4) Drivers of vehicles that are at a complete stop, while the engine is turned off, in a safe location by the side of the road out of the way of traffic.

(e) As used in this section:

"Emergency responders" includes firefighters, emergency medical technicians, mobile intensive care technicians, emergency management workers, police officers, and federal and state law enforcement officers.

"Fleet vehicle" means any vehicle validly registered pursuant to section 286-53.5.

"Mobile electronic device" means any handheld or other portable electronic equipment capable of providing wireless or data communication between two or more persons or of providing amusement, including but not limited to a cellular phone, text messaging device, paging device, personal digital assistant, laptop computer, video game, or digital photographic device, but does not include any audio equipment or any equipment installed in a motor vehicle for the purpose of providing navigation, emergency assistance to the operator of the motor vehicle, or video entertainment to the passengers in the rear seats of the motor vehicle.

"Operate" a motor vehicle means to drive or assume actual physical control of the vehicle upon a public way, street, road, or highway, including operation while temporarily stationary because of traffic, a traffic light, or a stop sign.

"Use" or "using" means holding a mobile electronic device while operating a motor vehicle.

(f) Every person who violates this section shall be subject to a fine of \$250 that shall be deposited into the state highway fund; provided that if a person violates this section while operating a motor vehicle in a school zone or construction area, as defined in section 291C-104, the fine shall be \$300, which shall be paid to the director of finance pursuant to section 291C-171.
